BEFORE A CLOCK

FOREWORD

Time is the all-important factor about which our daily schedule revolves.

With perseverance we did fight.
And now we've won the perfect right
To tell you in this little way
All the things we wish to say.

"Around the Clock" has been chosen as the theme for the 1961 annual. As the hands of the clock at Snohomish High School moved on, so did the busy schedule for the annual staff. Other activities also moved along with it, as school started an hour earlier.

The annual staff has spent many long hours in the task of publishing the Kla Ta Wa. This year the annual was increased by sixteen pages. We have tried to use the ideas of all the staff members in making a bigger and better annual.

With this edition go best wishes to all as you journey through life. May you spend your time wisely in working to become a better individual.

AROUND THE CLOCK

Occasionally we hear of people who 'work around the clock'. Actually, they may have been on the job that long but it is questionable that they are efficiently turning out an A-1, acceptable product.

The modern trend is to intensely concentrate over a much shorter period of time. This applies not only to the adult worker but to the student as well. By selecting a working location that is conducive to concentration, without distractions, and by training himself to efficiently budget his time and his abilities, he can sometimes startle himself as to what he can accomplish.

Too often the person who is 'working around the clock' really isn't working at all. He has a confused sense of what is labor and what is leisure.

It is usually the person who clearly understands what needs to be done and is willing to sacrifice toward that end who first reaches his goal.

TOP PRIORITY

NOW IS THE TIME

The time to dedicate yourself to the American way of life is right now. Next year, next month, even next week may be too late. Each time the hands of your clock go around, the world is one step closer to the day of decision — Americanism or Communism. You people will help make that decision. Compare our standard of living with that of any other country of the world; compare our freedoms with those of any other country. Consider the sacrifices made by the pioneers of this great country as well as the sacrifices of Americans in all the wars fought so that you might enjoy these privileges and freedoms. Remember that every privilege entails a responsiblity and do your part to make the United States an even better place in which to live.

Make your choice now! Work for what is right. I pray to God that you are all real Americans and will prove yourself so in the future.

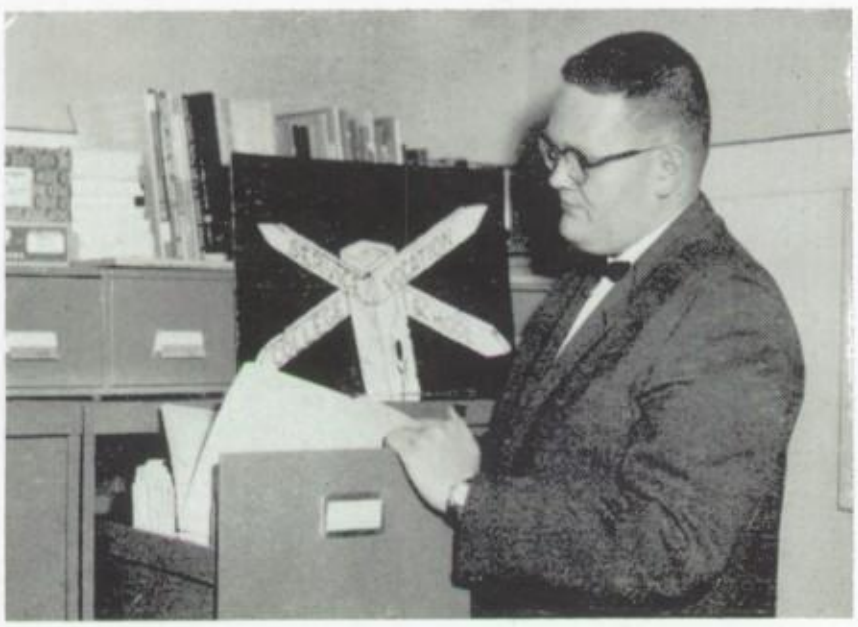
Harold B. Moe

Principal

THE OLDEST

MR. DON GIBBS, administrative assistant, in charge of transportation, cafeterias and outlying schools.

VICE-PRINCIPAL MAURICE HEDLUND, in charge of attendance and vocational Education.



MR. PETE JENSEN, guidance counselor, in charge of testing and information about colleges.

MR. JOHN CAMPBELL, freshman counselor and global geography teacher.

AROUND THE CLOCK

The theme this year typifies the life and schedule upon which are based the curricular and extra-curricular activities here at Snohomish High School. Within this realm of activity you have studied and enjoyed a well-balanced program that you can be proud of now and in the future.

The administration and faculty at Snohomish High School have played a vital role in helping you to grow academically, morally, and socially. It is their hope that you will continue to broaden your education as you take your place in society.

The synchronized movement of our school system is a primary concern of several people whom you have seen about the campus.

As time moves on, Snohomish High continues to grow and our system now includes Mr. Don Gibbs, who has charge of transportation, cafeterias, and the outlying schools. Though many of you may not know him, Mr. Gibbs congratulates the class of '61, and wishes them success in the future.

As Vice-Principal, Mr. Maurice Hedlund has charge of attendance and Vocational Education. He enjoys working with the student body, and extends his best wishes to the class of '61.

Another important phase of your educational time table has been directed by Mr. Pete Jensen. As guidance counselor, he has advised, tested and provided the necessary information which you, the members of the class of '61, have needed. Mr. Jensen hopes that your future will be successful.

A member of the faculty who is always interested in your guidance and education is Mr. John Campbell, who is freshman counselor and global geography teacher. He has enjoyed working with you and extends his thanks for your cooperation. He, too, wishes you a profitable and pleasant future.

CHRONICLES OF TIME

BOARD OF DIRECTORS

Today, many of us take for granted the work that our school board is doing. This is truly a mistake because the members of our school board, all five of them, do much more than we give them credit for doing. The members are always looking toward the future. They realize that what they have planned for tomorrow will be a leading factor in producing our country's future leaders. These plans are not just spur-of-the moment ideas. They are plans made from a careful study of facts and ideas presented and discussed. These five men are responsible for the budget and administration of all the public schools in this district. They meet at regular intervals during the month and approve expenditures and determine the policies of the school district.

If it were not for our school board, it is quite possible that our school would not have some of the many advantages it has today. When we stop to think of all things we have, we should be thankful to a school board which has made them possible.

OFFICE

This year, in addition to the high school office located in Building A we have new administrative offices located in Building B. These offices are maintained to serve you.

In the high school office Mrs. Ernster and Mrs. Ramberg efficiently handle all matters pertaining to student activity. Their duties are myriad, extending from all student record keeping to public relations.

The administrative office is the business center for the school district. It is through this office that all purchases are directed, payrolls written and records of all business transactions for the district are maintained. Mrs. Dubuque and Mrs. Woods are the secretaries in this department.

The Thursday after school coffee hour has become a tradition with the faculty. Food was prepared by the home economic girls.

Time—healer of all ills and diseases, tool of the idle, creator of wisdom, nemesis of the hurried.

For those who find themselves a part of this publication, how will time treat them? Will they be healthy, with ambition to accomplish their goals, wise enough to comprehend and use the great technological advances that are soon to take place? Only time will tell. The following pages will show the people who will try.

TIME AND

SENIOR CLASS HISTORY

Time passes like a bird in flight, but not until we have completed our high school education do we realize just how rapidly the time has actually flown. Looking back on our three years of high school, we recall many moments of seriousness and laughter.

Our first year in high school brought many new experiences, but we quickly adjusted to the new environment and proceeded with class business.

Elected to guide us through that first year were Dennis Averill, president; Dean Dolquist, vice-president; and Barbara Johnston, secretary-treasurer.

The first projects undertaken were concessions during football and basketball seasons. Throughout high school, both boys and girls participated in athletics through the school's athletic program and Girls' Athletic Association.

Members of the biology classes, under the guidance of Mr. Steve Smith, went on several trips. A trip to Victoria, B.C., via the Canadian Pacific Princess Liner, was the most outstanding excursion of the year.

The fall of 1959 ushered in a new school year accompanied by many activities. Many of the boys held major positions on the various athletic teams while some of the girls held positions on the pep staff.

The most important event of the junior year was the Junior Prom. During the fall and winter months, the juniors sponsored numerous concessions and an after-game dance in order to build up funds for the forthcoming prom. All efforts were well rewarded, for the Junior Prom of 1960 was one of the most successful proms in the history of S.H.S.

Officers for the junior year were as follows: Dean Dolquist, president; Nora Kincaid, vice-president; Rita Bricker, secretary; and Dede Reed, treasurer.

On September 6, 1960, the final reign of the class of "61" began with another year full of activities, work and fun.

Seniors composed the nucleus of the athletic program. In football, ten out of the starting eleven were seniors and five of these seniors were honored by being named to the All-Northwest First Team for football.

In baseball, seniors again dominated the varsity squad. The basketball team did an outstanding job and went all the way to the district tournament.

Sports were not the only strong characteristics of the class of "61." Whenever possible, the seniors put forth their best efforts to assure a job well done. The senior play was a perfect example of this effort. "The Whole Town's Talking" was the title and the actors performed both nights for a capacity audience. The Senior Ball was also termed a success. A theme of Indian Summer with music by Jack Potter and his band made a most memorable night for those attending. Our band was also honored by having the privilege of being one of three high schools in six states to go to the National Music Educators' Convention in Spokane. Three seniors, Dean Dolquist, Bob Knittel and Jill Dunbar, were selected for the All-Northwest Band and Choir, a high honor, indeed.

The annual Senior Banquet was held in splendor. Speeches by members of the faculty and members of the class were highlights of the evening. Senior "costume day," or better known as senior "slop day," was the comical event of the year. The senior picnic was also a successful day of fun and enjoyment for the faculty and the students. Chosen to lead the class in these various activities were: president, Dean Dolquist; vice-president, Chuck Pettersen; secretary, Carol Fankhauser; and treasurer, Rita Bricker.

All activities of the year led to the final event—graduation. On June 4, 1961, Baccalaureate was held. Members of the school board talked to the seniors and the band and choir provided entertainment with a brief concert.

The evening of June 6, 1961, brought commencement. After hearing messages from the class valedictorian, salutatorian, other student speakers, and Mr. Moe, the members of the class of "61" received their diplomas.

Many of the graduates will enter college and seek higher education. Others will go out into various fields of work. With the initiative and determination that those people possess, they will make a strong attempt towards reaching their goals.

ETERNITY MEET

SENIORS — Top, Standing: Diane McIntyre, Genevieve Metcalf, Mary Minshull, Allen Zalewski, Janet West, Nikki Navarre. **Seated:** Rick Yoder, Ron McCandlis, David Snow, Dick Ratcliff, Dean Dolquist, Mike McNeely.

TOP SENIORS

Time and grades go together hand in hand. For the third year, Snohomish High had twelve students with a 3.45 grade average or better. Janet West concentrated on commercial courses while the others took college preparatory subjects.

Diane McIntyre, Genevieve Metcalf, Mary Minshull, Mike McNeely and Janet West plan on entering E.J.C. Diane and Janet will continue with business administration. Mary will take a liberal arts course and eventually hopes to obtain a masters degree in English. Mike wishes to pursue the field of civil engineering. Genevieve plans to take sociology there.

Nikki Navarre and Alan Zalewski plan on entering Gonzaga University. Nikki plans to take business administration, Alan wishes to enter the dental field. Ron McCandlis and Dave Snow plan on entering the medical field at Whitman College. Dick Ratcliff wishes to attend Willamete University to obtain a liberal arts degree. Rick Yoder plans to enter one of the fields of Social Science at the University of Washington. Dean Dolquist will major in music and minor in business administration at the University of Idaho.

SENIOR LEADERS

Dean Dolquist was very active in sports, the high school band, and many other school activities. He was the co-captain of our outstanding track team.

Chuck Pettersen was tackle on the varsity football team, and he and Dean shared the position of captain.

Carol Fankhauser, a true thespian, had a lead in both the senior play and in the all-school play. She was an active member of Girls' Club, drill team, and Speech and Drama Club.

Rita Bricker led our enthusiastic cheering section as a song leader. She was elected the girl of the month for February, 1961. She was also an industrious member of Honor Society and Girls' Club.

ECHOING THROUGH

ANOTHER YEAR ANOTHER TIME — Mr. Coplen, Lanny Neil, Bill Knittel, Marie Moon, Stan Posey, Miss Doyle.

JUNIOR CLASS

The class of "62" consisted of 216 students, second largest class in our four-year high school. Having only two required courses this year, English and United States history and government, the juniors were able to select a course closer to their future occupation. Many of the boys in a college-prep course took physics and advanced mathematics, while typing, shorthand, and bookkeeping were important to the girls taking a commercial course.

Early in the fall, the juniors elected class officers for the 1960-61 school year. They included: Bill Knittel, president; Stan Posey, vice-president; Marie Moon, secretary; and Lanny Neil, treasurer.

Since the juniors had a specific project in mind, they were interested in building up their class treasury. Juniors worked hard on two money-making projects, the selling of chrysanthemums during Homecoming and the sponsorship of an after-game dance during football season. Homecoming "Mums," a project which had not been carried out at S.H.S. for several years, were very popular with the student body and proved very worth while financially.
Initiation of the spring project, the Junior Prom held on May 19, began with the selection of committees in March. As a result of the excellent returns from their money-making ventures, the juniors had a good start on their prom.

The members of the junior class proved very active in all school organizations and projects. Many junior members in Student Council also had important committee assignments. Some juniors headed special projects. Parts of Homecoming, the Thanksgiving program and Polio Night were under the direction of juniors. Early in the spring the thespians in the class turned out for the all-school play. Many of them plan to turn out for the senior play next fall. All the various clubs had many new junior members. Many juniors had grade averages which permitted them to join Honor Society.

Several junior boys turned out for football and basketball. Juniors composed one-half the varsity basketball squad and at the end of the football and basketball seasons, there was a marked increase in the number of boys wearing lettermen sweaters. Many other boys were letter winners in golf, track, tennis, baseball, and wrestling, a new sport at S.H.S. Juniors also held down important positions on the state-champion cross-country team.

The junior girls had good reputations on the pep squad this past year. Two of the four basketball and football cheerleaders were juniors.

Junior girls proved to be fine athletes, also. Many won letters in the various sports offered and several junior girls participated in the play-days on Saturdays. Junior girls were very active in Girls Club. Half the offices were juniors and several of the standing committee chairman posts were held by junior girls. Many junior girls were in drill team. They marched with the band for half-time football shows and also did some precision marching at half-time during the basketball season.

When the school year ended, the members of the junior class had shown that they were not only anxious to become seniors, but that they would be worthy of the title "Seniors" next year.

THAN YOU THINK

THERE ARE

WIELDING THE GAVEL — Mr. Smith, Bob Waltz, Ken Ryan, Marcia Lervick, Mrs. Condell.

SOPHOMORE CLASS

The sophomore class, the class of "63," met for the first time as Snohomish High School students in late September. This meeting, presided over by Mr. Smith and Mrs. Condell, sophomore class advisers, was held to elect officers to lead the largest class in the high school. Those elected were: Ken Ryan, president; Bob Waltz, vice-president; and Marcia Lervick, secretary-treasurer. These officers presided over the class the entire school year.

Because the sophomores were just beginning their high school career, three of their six classes were required. These classes were English 3 and 4, biology or general science, and physical education. The majority of the students decided to use one of their other three periods as a study hall. Many of the students taking either college-prep or commercial courses took such subjects as bookkeeping, typing, geometry, and Latin or Spanish.

The sophomores proved to be very sports-minded. Nine boys were initiated into Lettermen's Club. During the football season, about half the boys turning out were sophomores and during the basketball season 16 boys played on the "B" team. Many of the boys also turned out for the spring sports of track tennis, and baseball. However, the boys were not the only sports-minded sophomores. Many of the girls took part in the sports program sponsored by the Girls' Athletic Association.

All the students taking biology had the opportunity to go on several field trips. One of these was a trip to the state park on Camano Island. On this trip many specimens were collected for study in the classroom.

The last few weeks of school came fast for this year's sophomores. This time was spent in preparing for final examinations and participating in many of the events that come with spring.

BIOLOGY BANQUET

One of the unusual spring events for the sophomores was the biology banquet. The menu follows:

Hors d'oeuvre — Roasted caterpillar, smoked mussels, sardines, barbecued sparrow, smoked quail, anchovies, tripe, whale meat, gherkins, olives, Russian and Danish caviar, variety of cheeses, Diamond back rattlesnake, quail eggs, deviled duck eggs, Sturgeon, and Herring in mustard.

Soup — Turtle soup with beef broth.

Main Course — Steamed Clams, Snails in the shell, Abalone Chow Mein, deep fried scallops, and deep fried octopus.

Salad — Fresh coconut, fresh pineapple, kumquat, lily bulbs, palm hearts.

Bread Plates — Muffins with fried grasshoppers added,, garlic French loaf, Russian Rye, whole grain, Ritz, Lefse or Katufla.

Drink — Hawaiian Punch, Clam nectar, Coffee, tea.

Dessert — Italian cookies, chocolate covered ants, baby bees, grasshoppers and caterpillars.

SO FAST

WE HAVE TIME

KEEPERS OF THE MINUTES — Advisers: Miss Miles, Mr. Cowles. **Officers:** Irene Dawson, Sandy Slade, Virginie Bartelheimer.

FRESHMAN CLASS

At the new starting hour of 8 a.m. an eager group of 216 students started their high school career.

The class of '64, elected Sandra Slade, president; Irene Dawson, vice-president; and Virginia Bartelheimer, secretary-treasurer at the first class meeting. The advisers for the class were Miss Miles, English and typing teacher, and Mr. Cowles, algebra and general math teacher.

This was the first year that the freshmen were considered as part of the Snohomish High School, making it a four-year high school. They were invited to join the drill team and the high school music program for the first time. They were encouraged to ride the rooter buses, making the cheering section larger at the out-of-town games. The freshman class selected two girls to run for Homecoming Princess.

The last after-game dance of basketball season was sponsored by the freshman class, and it proved to be quite successful.

The freshmen participated in various sports throughout the year. Some of these sports were: football, basketball, baseball, track, and wrestling. The boys were very active in all. The freshman football and basketball teams were members of the Mountain View Junior High School league with four Everett junior high schools. The young Panthers played very well, and everyone was behind them even though they won only two out of six games during football season. The basketball team played very well and had a successful season.

At the end of the football season twenty-five award certificates were given to the boys. Twenty-one boys turned out for basketball. Although the boys could not letter in their freshman year, they could receive certificates for their ability in sports.

The girls, however, could earn points toward their sweaters in their freshman year. They participated in various sports throughout the year, including basketball, bowling, speedball, and many others.

The freshmen had a dance in the spring, which was the big event of the year for the class. Sandra Slade, president of the class, was in charge of the event; and with the help of her officers and other class members, the dance was a success.

During the freshmen's first year in high school, four subjects for the boys and five for the girls were required. These classes were: English 1 and 2, physical education, global geography and Washington State history, and home economics.

The year passed rapidly and for the young Panthers who were completing their first year at Snohomish High School. The freshmen would like to thank the officers and advisers for all the help they have received. They look forward to September when they will be sophomores, continuing their education and broadening their horizons of knowledge.

FROM DAY TO DAY

BOYS' CLUB BASKETBALL CAPTAINS

The Boys' Club Basketball League consisted of eight teams and eighty members, supervised by Mr. Miles. The players were athletes who were not members of the varsity teams. Their schedule of forty-six games ended with a tie for first place between Goshorn's and Rabenstein's teams.

A tournament was then played in which Goshorn's team won the championship in an overtime game. This game was characteristic of the many exciting games played. The members, Buzz Schilaty, Phil Swezey, Pat McFarland and Ron Prentice, overcame a sixteen-point deficit to win.

OFFICE GIRLS

The Snohomish High School office was a very busy center during the school year. The secretaries performed many important tasks with the assistance of the office girls, who worked during their study halls.

Some of the duties performed by these girls included collecting attendance slips, recording absentees, typing announcements and absentee lists, answering the telephone, and assisting Mrs. Ernster and Mrs. Ramberg with various other tasks. The girls earned credit towards graduation and received much experience that will be helpful to them in future careers.

ACTIVITIES

Activities and clubs at S.H.S. play an important part to all of us around the clock. The enrollment and number of these clubs has increased throughout the years because everyone is encouraged to join and participate to their advantage in all of the activities that are offered. Through the efforts of these organizations we all learn group organization, cooperation, and leadership. Without students' contributions and participation all of these groups would be impossible. With the aid of these activities S.H.S. has become a much better school and is very well known for most of them. The following activities are the clubs and organizations that make S.H.S. strong and well known.

DEADLINES TO MEET

PEN WIELDERS — Top Row: Ernie Goshorn, Lyman Pease, Joe Pruett. **Bottom Row:** Elaine Smith, Karen Anderson, Mary Minshull.

ARROWHEAD

"Mary, you need a head!" "Type this story on yellow, Elaine!" "Joe, what is the count on a two twenty-four?" This is the kind of talk anyone entering Room B 12 during sixth period would hear. They would be in the journalism class, publishers of the four-page, printed "Arrowhead," which is issued bi-monthly.

The journalism class succeeded, sometimes barely, in meeting the sixteen Wednesday deadlines named by the printers. This was done under the guidance of Mary Minshull and Elaine Smith, co-editors, and Miss Ruby Egner, adviser. Their assistants were Joe Pruett and Karen Anderson.

The sports page was planned and written by Ernie Goshorn. Other reporters were Ernie Bailey, Olivia Newell, Mary Smith and Jerry Vest.

Business manager throughout the year was Lyman Pease, whose work in getting ads made the financing of "The Arrowhead" possible.

ANNUAL STAFF

"Time and tide wait for no man." The annual staff found this to be true in their race to meet many deadlines. Each one worked conscientiously in trying to meet each time limit.

The annual staff is deeply grateful to their adviser, Miss Ruth Fowler, who worked so patiently, giving them guidance through the year to make the annual a success.

GUIDANCE OFFICE

There are a number of selected students who work in the guidance office under the supervision of Mr. Jensen. The selection of these students was based on their commercial interests and desire to work with other people.

Each period there were from one to three students who did the necessary routine jobs that kept the office running smoothly.

Some of the events that broke the routine of filing, typing, and keeping things orderly were fall registrations, college conferences, aptitude tests, and various other matters.

STAGE CREW

"Stagecraft" was a new activity this year. The primary aim was improvement of the stage, which was accomplished by painting and building new sets. Their renovation of the lighting system added to the effective production of the year's plays. Both worthwhile results and enjoyment were derived from the hard work of the crew.

STAGE CREW — Jim Ollom, Jerry Neisinger, Bill Berst, Mr. Shular.

CHIC CHAT — Top Row: Karen Edwards, Darlene Wolf, Bobbie Hanks, Donna Moon, Betty Corey. Bottom Row: Ellen Finch, Nikki Navarre, Olivia Newell, Wanda Larsen.

CHIC CHAT

Chic Chat is the Girls' Club newspaper, published monthly by and for the girls at Snohomish High. As well as informing them about coming events, this paper also served as a source of reading enjoyment. It contained career stories, jokes, poems, and sayings, as well as news.

This publication also provided an opportunity to earn points for Girls' Club. Any girl was welcome to contribute her talents, time, and energy to the publication of the Chic Chat.

FIREMEN

Jerry Salvadalena was appointed chief fireman for this past year. Students desiring to become firemen signed up in the office, and from that list, Jerry then selected a fire squad. The squad assisted Jerry in keeping order during assemblies and keeping confusion to a minimum during fire drills.

CHESS ACTIVITY

This is the third year that there has been a chess activity at Snohomish. It has previously been sponsored by Mr. Field and is now under the guidance of Mr. Walker.

The members of this activity met daily and held competitive matches among themselves. They had a match with Everett, losing 5 to 3.

SPANISH OFFICERS — **Top Row:** Nikki Navarre, Guy Kinkead, Dean Dolquist, Marilyn Baker. **Bottom Row:** Kay Johnson, Candace Jarrett, Mary Alice Kinkead.

SPANISH CLUB OFFICERS

The officers of the Spanish Club were elected in a rather unique way. Each class elected officers except a vice-president and treasurer who were elected by the club for the entire year; and the class with the highest total grade point among its members was allowed to have its officers lead the club.

The officers did quite well in guiding the club through a successful year.

SO LITTLE TIME

GIRLS' CLUB

"Miniature Mardi Gras" started this years Girls' Club activities off with a bang. It was a masquerade party in honor of the new girls at Snohomish High. A large turnout joined in the festivities, and several lucky girls went home with prizes for their original costumes.

At Thanksgiving time, through the combined efforts of the Girls Club and the student body, food and money were collected and given to a family who was temporarily having financial problems.

Things really started hopping around Christmas, for the Girls' Club sponsored three baskets for needy families. The student body helped greatly by donating food, clothing, toys and money for the baskets.

A Christmas Tea was given in honor of the faculty during this busy season. The tea was held after school and music of the Christmas season was played to add the finishing touches.

One of our spring activities was Dads' Night, which was held to honor our fathers.

"Moonlight and Roses" was the theme of this year's Girls' Club Tolo, a gala event for everyone.

In honor of the Girls' mothers, the annual Mother-Daughter Tea was held. This was a most enjoyable occasion for the girls and their mothers.

GIRLS' CLUB OFFICERS — Kathy Bueler, Susie Schott, Bethia Wanser, Mary Minshull.

STANDING COMMITTEE

The Standing Committee chairmen were a group of girls who were responsible for the many activities carried on by the Girls' Club. The chairmen were appointed by the president to serve two semesters, and they, in turn appointed girls to perform the duties of their committees. They kept a list of those who worked and the hours each worked. These lists were given to the vice-president who kept the books on points earned.

Following the Girls' Club Constitution, there were these standing committees; courtesy, program, social, art, historian, trophy case, serving, clinic, publicity, Christmas decorations, and Chic Chat.

The Standing Committee Chairmen along with the four elected officers and the home room representatives comprised the Girls' Club Council, the governing body of the Girls' Club.

Through films and speakers the members of the Latin Club learned about many countries this year. To complete the year, the Spanish and Latin Clubs held a banquet.

SPANISH CLUB

Becoming better acquainted with our neighbors south of the border was the objective of the members of the 1960-61 Spanish Club. To accomplish this goal, the members were entertained by movies and speakers from Latin-American countries.

On two occasions the Spanish and Latin Clubs held joint meetings, a Christmas meeting in December and the Spanish-Latin Club banquet later in the year. Thus ended another successful year for the Spanish Club.

DRILL TEAM

Time marches on for the drill team. The 60-61 season found the members contributing their time and effort to long hours of morning and evening practices to make this year a success.

Under the efficient direction of Captain Maxine Tuengel, Lieutenant Sue Erlandsen, and adviser, Mrs. Elfstrom, the drill team worked hard to bring glory to Snohomish High School. With the band, they worked out many interesting routines for football games, coronation, Homecoming, basketball, and various other outstanding events. Another important event of the year was the conference held in Marysville with 18 other schools attending.

As in the past, the drill team has attempted faithfully to uphold the honor it has received in previous years and to retain recognition for Snohomish High School.

WOOD SHOP CARPENTRY ACTIVITY

This activity was a class studying carpentry. The method used in learning the elements of building construction was the actual construction of a home built from lumber the students cut to scale. The home was a true reproduction from blueprints of the original in all details, including materials and construction. The course was intended to serve as a guide for carpentry apprentices. Emphasis was placed on proper technique so that the beginner might understand and become acquainted with generally accepted carpentry practices that combine good construction, design, and the proper use of tools and materials.

AUTO MECHANICS

One of the many vocational courses in Snohomish High School is the advanced auto shop. This class consisted of forty students of the junior and senior classes who were very much interested in working with cars and other machinery.

The work in shop consisted of motor overhaul, such as replacing rings, rods, bearings, pistons, and valve grinds.

Transmission trouble is a common thing in the mechanic's business and almost every boy has had the opportunity to work with this problem in shop.

Some of the other jobs the boys did were front-end adjustments and electrical, differential, and brake work.

Zop! The sound of high voltage electricity was heard from room 5. The sound crew was hard at work on a piece of equipment which needed repairing.

Heading the sound crew was Mr. Clayton. Other people on the crew were Bill Wislen, Steve Reed, and Rick Gallear. Bill Berst worked at various times as well as Joe, his brother.

The sound crew of '60-'61 named themselves the "Senior Feedback Squad".

They participated in many school activities and will continue to do so for their school spirit is strong.

DEBATE

An interesting and rapidly growing activity at Snohomish High is that of debate. This year's question, Resolved that the United Nations should be significantly strengthened, proved to be increasingly important in world affairs as the year progressed.

The team attended a debate clinic at the University of Puget Sound, a student congress at Pacific Lutheran University, and debate tournaments at Everett Junior College, Mount Baker High School, and Skagit Valley Junior College.

The team ended the year with a combined record of 6-8 despite the fact that it was the first year for the members of the team and only the second year that S.H.S. has had an active team.

LIBRARY

"Would you put away that truck of books? Oh! There's mending to do and checking those books in would be a great help." There was always plenty to do for the librarians. This enterprise was under the supervision of Miss Cowden, head librarian.

It seemed every student in S.H.S. visited the two-room library. With research for term papers and projects to be done, the library was a popular place.

HOME CRAFTS

Girls in home crafts, under the guidance of Mrs. Marvel Purdy, devoted themselves to performing services for the school. Among projects undertaken was the making of programs and decorations for Girls' Club.

Many interesting hours were spent in baking for the teachers' coffee hour and for the various teas. Handwork on materials used in the foods laboratory also consumed much time. Whenever time allowed, personal sewing occupied the attention of this active group.

SCIENTISTS

The Science Club was open to members and former members of the general science classes and to others interested in science. The chief purpose of the club this year was the construction of science demonstration equipment. A major piece of equipment produced was the vacuum pump rebuilt from a used refrigerator compressor.

Considerable time was spent on science reading and viewing of science motion pictures. Films on weather, hydraulics, plastics, and electricity were among those shown. Many members of the club prepared equipment for Science Demonstration Day on April 12.

STENOPOOL ACTIVITY

Stenopool was a new group organized by Mrs. Elfstrom. It proved to be very busy and productive. The main purpose was to take care of the typing and duplicating for teachers and clubs in the school. This group consisted of approximately 25 girls who were taking commercial courses and wished to obtain extra practice on office procedures and jobs.

PING PONG

Table tennis, better known as ping pong, became a very popular indoor activity this year.

A tournament was held in the middle of the year, with Otis Brown winning first place, and Jim Berg, second place.

The members were all grateful to Mr. Hansen for his time and effort.

PANTHER PATROL

The Panther Patrol was on the job in all seasons and in almost any kind of weather. This group of boys, directed by Mr. Shorrock, patrolled the grounds during activity period picking up paper, candy wrappers, lunch bags, and other material.

ATOMIC WORLD

Mr. Davis gave a National Assembly to the students. The theme for this was "This Atomic World." He demonstrated the use of a Vandegraph generator. Students were called from the audience to help with the demonstration. Other things that he talked about were the atom, Uranium 235 and 234 in a reactor, radio isotopes, and the effects of radio-active particles on life as we know it.

MUSIC APPRECIATION

In music appreciation students were able to read or study while listening to music. The activity resembled a small-scale informal concert where members became acquainted with orchestra and piano masterpieces created by well-known composers. Among those heard were "Pictures at an Exhibition" by Mussorgsky and the beautiful piano concertos of Chopin.

MOMENTS TO REMEMBER

SENIOR PLAY

Thirteen members of the senior class made their stage debut on December 1 as they presented "The Whole Town's Talking" to a capacity crowd. The farce by John Emerson and Anita Loos netted the class of 1961 $400 and many memories.

Father, Bob Banks, used dubious means to cause his daughter, Judy Ashcraft, to fall in love with his business partner, Chester Binney, played by Joe Pruett. The dubious means was a beautiful movie star, Carol Fankhauser, who was supposed to have been one of Chester's old girl friends. Little did Papa realize that the gorgeous creature would come to their modest town on tour and discover his prank. Needless to say, great commotion was caused by this occurence which held the audience in suspense to the end of the play.

ALL-SCHOOL PLAY

A three-act comedy entitled "You Can't Take It With You" was presented by the S.H.S. students on April 27 and 28.

Under the direction of Miss Tarr, the play cast was selected, the play rehearsed, and the stage hands and committee chairmen were directed. This year all of the female parts were double cast, providing Miss Tarr with the largest cast she ever directed.

This play concerned Alice Sycamore and her romance with the boss's son, Tony Kirby. Not only was Alice's mother, Penelope, a bit unusual but so was the rest of the family. The family earned its living by making candy and firecrackers. This provided many unusual experiences. When Tony and his family arrived one night early for dinner, the audience saw the true workings of the Sycamore family. The members of the family engaged in many unusual hobbies such as ballet, printing, collecting snakes, writing plays, and attending commencements. These unusual characters provided many amusing situations.

HONOR SOCIETY

The honor society is an organization which honors those students who maintain a three-point grade average or higher throughout their high school years.

Officers were elected at the first meeting of the honor society. Officers for the year of 1960-1961 were as follows: Betty Williams, president; Craig Thompson, vice-president; Arlene Haugen, secretary; and Gordon Prentice, treasurer. Miss Doyle served as adviser of the organization.

Last year's membership was made up of 37 seniors and 35 juniors. As recognition of their efforts, the juniors were awarded a two-bar pin and the seniors, a torch pin. The torch pin was given to those students who had maintained a three-point grade average for the three years, with permanent possession awarded at commencement.

F.H.A.

The adviser, Mrs. Condell, and the members of F.H.A. had a very eventful year. They attended county councils, a demonstration day, and a state convention at the University of Washington. One council was held here.

F.H.A. also sold popcorn at games and during the ncon lunch hour and sold book covers bearing the school colors and name.

During F.H.A. Week the chapter went to church in a group, wore F.H.A. colors of red and white, prepared the refreshments served at a faculty coffee hour, and had an F.H.A. display in the show case.

At the end of the year some of the girls who have worked very hard will earn their keys to go on their pins for F.H.A.

Beginner's Luck is an activity for those interested in creative writing. This group, advised by Mr. Boling, published a magazine composed of manuscripts submitted by students. It was this activity's job to read these manuscripts and select the best ones for the Beginner's Luck magazine.

To help finance this magazine, the activity had an after-game dance and a concession at a football game.

Time flies and so must the athlete in order to beat the constantly moving stop watch. This past year Snohomish boys and girls tried to increase their knowledge of sports as well as improve their physical condition.

Other schools may not remember Snohomish High School's contests, but the memories of some of the close games will live long in the students' memories.

Snohomish had an athletic program to be proud of for the girls as well as the boys. The past year was undoubtedly an enjoyable and enthusiastic year for sports at Snohomish High School.

FOOTBALL

Panther fans were pleased with the 7-2 record of the 60-61 football season.

The Panthers were riding high for the first seven games; then on November 4, 1960, disaster struck as the Mount Vernon Bulldogs defeated the Panthers 7-0 in a close, hard-fought defensive battle.

The Panther team showed remarkable defensive ability by having only 13 points scored against it, thereby matching the league leaders, and scoring 92 against league foes.

One of the highlights of the season was the Homecoming game with Sedro-Woolley in which Dean Dolquist hit Steve Kager with a 30-yard pass in the second quarter, resulting in a 7-0 victory for the Panthers.

In another action-packed game the Panthers swamped the Marysville Tomahawks in a one-sided affair 50-0. The Panthers showed their ability to score in this game by racking up more points than in any other game of the year.

Trophy winners for the season were: Chuck Pettersen and Dean Dolquist, co-captains; Jerry Cernich, best tackler; Steve Kager, press award; Dean Dolquist, inspirational award; and Chuck Pettersen, best blocker.

JV — SOPHOMORE FOOTBALL

There were seven junior varsity football games this year. Snohomish won four and lost three. Panther victories were over Twin City and Arlington, with two wins over Marysville. Defeats came at the hands of Arlington and a strong Everett contingent which downed the Panthers twice.

The Snohomish sophomores participated in four contests in 1960. They lost all four games. Three of those games were by one touchdown margins and the fourth by a scant two touchdowns.

Both sophomores and JV's showed a great deal of spirit and drive as they gained experience for next football season.

FRESHMAN FOOTBALL

Although small in number and size, the freshman football team lacked nothing in forceful determination. Despite numerous defeats, team spirit ran high. This was achieved largely through the enthusiastic coaching of Mr. Parrish.

The boys marked their entrance into a tough new league with their first game against North Junior. They were defeated by this team twice. Standing out during the season were victories over South Junior and Evergreen.

The season ended with a 7-6 win against Evergreen.

HOMECOMING

Homecoming of 1960 was a gala affair for alumni, students, faculty, and many residents of Snohomish. The festivities began October 13 and ended on the 21st.

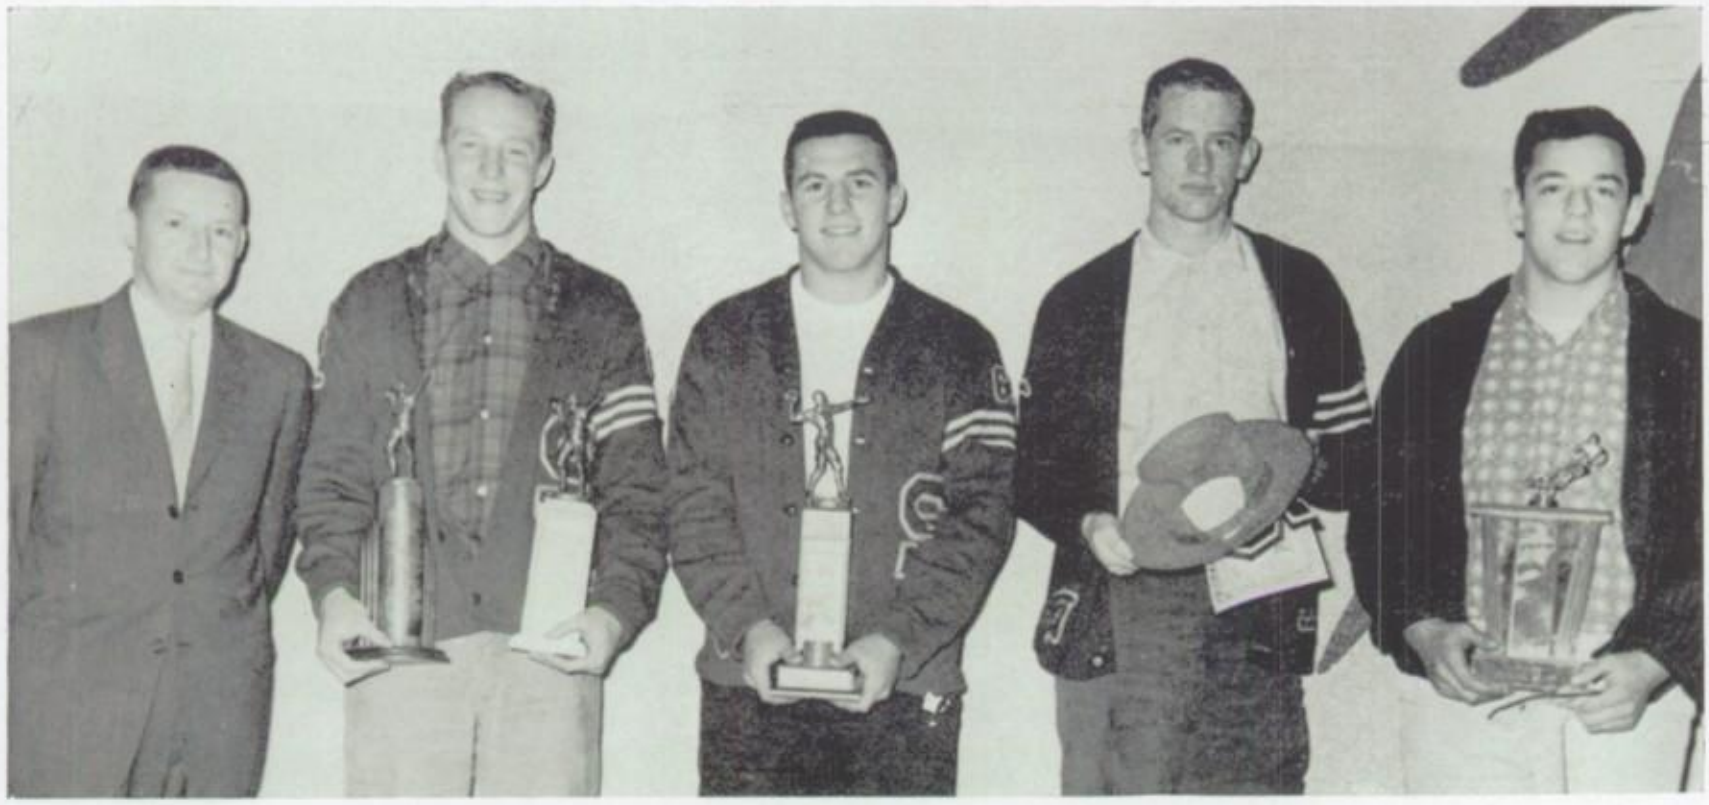
This year the royal court consisted of the queen and her four princesses, two from the senior class, one from the junior class, and one from the sophomore class.

The official crowning of the queen was at the coronation ceremony held in the gymnasium on Tuesday, October 13. JoAnne Laz, the queen who reigned over Snohomish High last year, presented the roses to our new queen, Deloris Reed. The Associated Student Body president of last year, Howard Babcock, was also present for the ceremony. He presented the queen with the royal crown and pronounced her queen of the 1960 Homecoming.

The traditional pep rally usually held on the main street of Snohomish was canceled this year because of the inclement weather. Nevertheless, the pep sign contest was held. After a vote by the teachers, the decision was announced at the game, a tie between the juniors and the sophomores.

Friday evening held the perfect ending to a glorious week of Homecoming. The Panthers downed the Sedro-Woolley Cubs in a 7-0 victory.

The Homecoming dance entitled "Coronation Caper," was held immediately after the game and the Homecoming festivities.



COACH GUNDERSON and **AWARD WINNERS** — Dean Dolquist, Chuck Petterson, Steve Kager, Jerry Cernich.

FOOTBALL AWARDS

All awards given at the annual football assembly were received by seniors. Dean Dolquist and Chuck Pettersen were elected co-captains by their teammates and Chuck Pettersen also received the best blocker award. The sports writers' award for the outstanding play of the season was received by Steve Kager and Dean Dolquist. The last awards to be presented were the best tackler to Jerry Cernich and the inspirational award to Dean Dolquist.

Five team members made the All-Northwest First Team. They were Jerry Cernich, center; Dean Dolquist, halfback; Ron Bluhm, guard; Chuck Pettersen, tackle; and Steve Kager, end. Swede Johnson was elected to the second team backfield and Dave Trapp received honorable mention.

BASKETBALL SEASON

With the coming of winter, basketball season began. Regular turnouts started after the final cut. The first three weeks of turnouts were primarily concerned with fundamental basketball. The fourth week brought the first game, and the Panthermen received their chance to show their determination for a successful season.

The Panthermen proved this determination to their followers through the course of the season. One of the highlights of the year was the Panthers' win over Anacortes by a margin of one point. Another close one right down to the buzzer was the Panthers' 44 to 41 victory over Marysville. At mid-season the Panthermen showed their best scoring ability for the year against Sedro-Woolley by trouncing the Cubs 70 to 50. The season might be summed up by saying that the Panthers literally cut down their opponents as they met them. The final season record was 12 wins and 6 losses.

After having a successful season, the Panther hoopsters turned their shooting eye toward the coming district tournament with more determination than ever to march on to the state tournament.

CLOCK WATCHERS

BASKETBALL "B"

This year proved to be a successful one as far as "B" squad basketball was concerned. The "B" squad, consisting entirely of sophomores, finished the season with a respectable 13-5 record.

The boys proved to everyone right at the first of the season by defeating the Everett JV's after trailing by five points with only 20 seconds left. They also proved that they had great bench strength.

While not completely lacking defensive ability, their strong point turned out to be their offensive ability, scoring 50 per cent from the free throw line.

The scoring was fairly evenly divided, although there were five "B" squadders who scored over 100 points.

This equality gave more boys a chance for valuable experience this year which will undoubtedly strengthen our team in the next few years.

Time moves onward and with it come corresponding changes. This year marked the entry of the Snohomish High School Freshmen into Mountain View Junior High School Conference competition. Snohomish competed with the four junior high schools from Everett. They were North Junior, South Junior, Evergreen Junior and Mukilteo Olympic View Junior High Schools.

The first game of the season, a non-conference affair, was a real thriller. Snohomish traveled to Marysville and was defeated by the young Tomahawks 29 to 28. That game seemed to set the trend for the remainder of the season.

To open league play, Snohomish traveled to North Junior High in Everett where they were defeated on the Redskin court by a score of 25 to 22. The following game was a close one at Olympic View where the young Panthers were defeated 25 to 24.

The first home game saw Snohomish turn back Evergreen Junior High by a score of 28 to 20. The following week at South Junior proved exciting since it was necessary to play overtime to defeat the Panthers 30 to 29. After meeting a second defeat by North Junior, the Snohomish team bounced back at the expense of Olympic View and defeated them 20 to 17. The final game of the year saw the Panthers defeat the South Junior High Spartans 35 to 21.

During league play the locals won three and lost five games to place third in the standings.

TENNIS

The 1961 Panther net team continued to uphold the winning ways of recent teams of the past. S.H.S. netters won the Northwest League in both 1958 and 1960 and came in second in 1959.

Butch Uran and Ron Rabenstein placed second in the Northwest district tournament, won the Snohomish County doubles championship, and placed fourth in the state tournament in Vancouver in 1960.

Butch Uran, Ron Rabenstein, Larry Collins, and Phil Thompson were senior members of the net squad. Ken Ryan, Ron Collins, Randy Farabee, Neil Wheeler, Jerry Knittel, Gary Vogel, Bob Waltz, Dave Rothgeb, Greg Gustafson, Craig Slade, and many others worked hard for starting positions.

The schedule for '61 included all the teams of the tough Northwest League, as well as Bellingham, Everett, Arlington, Edmonds, Monroe, and Friday Harbor.

The season opened March 30 and 31 with two practice games against Bothell. They were followed with an always exciting game against Everett. The league play then began with games with Oak Harbor, Marysville, Mt. Vernon, Sedro Woolley, Anacortes, and Burlington. The schedule was then repeated and the final game was played on May 19.

A MILE A MINUTE

CROSS COUNTRY TEAM

"State championship" and "Tom Gilpin" were the key words to this year's Snohomish High School cross country. Sweeping across the state they won everything in sight with one exception, the A.A.U. Inland Empire. Included in these wins were the Northwest District Championship, an A.A.U. meet held at Snohomish, and the coveted State Championship, held at Green Lake by the University of Washington. This was the first state championship for a Snohomish cross country team.

Most of the runners know that this was accomplished through the fine coaching of Mr. Keith Gilbertson.

TRACK TEAM

This year's track team, coached by Mr. Keith Gilbertson and assistant, Mr. Dave Rich, worked diligently to maintain the fine record of the previous year. With several returning lettermen, including Dean Dolquist, who placed fourth in the pole vault at the 1960 state meet, and Tom Gilpin, who placed fourth in the half mile, the squad completed a successful season.

The first meet of the year was held at Lake Washington, the defending state champion. Other meets were scheduled throughout the spring with Everett, Mount Vernon, Bellingham and other Northwest League schools.

NICK OF TIME

LETTERMEN'S CLUB

Requirements for joining Letterman's Club are to have lettered in one of the major sports at S.H.S. and to be at the annual initiation. Twenty-six athletes met these requirements this year. The initiation was tougher this year than in any previous year. Besides the initiation, the Letterman's Club had a swimming party for all members. They were also responsible for the making and selling of the programs sold at the football and basketball games. With their new adviser, Mr. Lamkin, the group also attended a Seattle hockey game. Officers for the year included: Board of Directors, Tom Gilpin, Chuck Pettersen, and Secretary-Treasurer Dean Dolquist.

GYMNASTICS

Gymnastics kept a few interested boys busy during activity period. The parallel bars, the mats, the side-horse, and the trampoline were in the multi-purpose room. Those interested in weight-lifting worked out in the locker room.

A group of the boys put on an exhibition on the trampoline for half-time during the Marysville game. In March, Mr. Rich and the group went to the University of Washington where they competed in a gymnastic meet.

"S" CLUB

Bloomers and bicycles have given away to modern bermudas and bowling balls in girls' sports at S.H.S. Since society no longer regards participation in the various activities as unladylike, the modern girl enjoys a wide variety from which to choose, such as basketball, softball, volleyball, archery, and tennis.

Recognition may be gained in the athletic field by working hard in the after-school turnouts. After earning 1,000 points, a girl automatically becomes a member of "S" Club. For the second stripe 1,500 points are required, and 2,000 points earns a third stripe and a trophy.

Some of the additional, enjoyable activities that members took part in during the year included attending playdays, a swimming party, a basketball concession, and a trip to Bellingham for the basketball officials' clinic.

GIRLS ATHLETIC ASSOCIATION

Snohomish Girls' Athletic Association has been quite active this year, taking part in many sports such as speedball, volleyball, basketball, bowling, badminton, softball, tennis, and archery. The Association consists of all girls turning out for a major or a minor sport.

G.A.A. and "S" Club sponsored a swimming party for all the girls turning out for speedball at the conclusion of the season.

Taking part in playdays was also part of the fun of turning out. There were five playdays this year, which gave the girls from different schools an opportunity to meet one another.

Earlier this year a few of the girls from Snohomish attended a badminton tournament.

BOWLING RECORDS — Miss Olson.

BOWLING TURNOUT

Turnout girls have been keeping in step with one of the most popular of indoor participant sports. About thirty-five girls were in regular attendance at the eight scheduled turnouts. This year bowling was included as a major sport within the turnout program.

High bowlers for each class for each turnout received five extra points. The highest bowler of each turnout received ten extra points.

Melody Johnson rolled the highest single game of the season.

High bowlers for the seniors included Flora DeGroot, Karen Carlson, and Donna Moon. High bowlers for the juniors included Mary Alice Kinkead, Lucile Ohm, Cheryl Colwell, Melody Johnson, Ima Trimble, and Doris Doll. Diana Crowell, Joanne Hjort, Diane Hendrickson, Marilyn Sherwood, Barbara Church, Lynn Jubie, and Darlene Wolfe took the honors in the sophomore division. The freshmen, led by Mary Ann Mesman, Sheila Flaten, Cheryl Luxmore, Suzanne Freeze, and Susan Patrick, held their own.

Flora DeGroot was manager for bowling with Donna Pruitt and Carol Grinde assisting.

GOLF

This year the team, coached by Mr. Lamkin, competed with the following schools: Mt. Vernon, Sedro Woolley, Marysville, Oak Harbor, Everett, and Lakeside.

With five returning lettermen, the S.H.S. golf team proved to be tough competition. They showed evidence of this by the low scores turned in early in the spring.

WRESTLING STORY

Wrestling was introduced this year for the first time in the history of Snohomish High School. The Panther matmen didn't win a match but showed great improvement throughout the year. All of their last matches were lost by close margins, and they placed eighth in the district tournament in which 11 schools took part.

The Anacortes match was lost by the close score of 24 to 21. The grapplers who won their matches were Jim Miles and Chuck Pettersen by forfeit. Fred Zielasko and Dave Trapp won by decisions, while Gable won by a pin.

In another close match of the season, the Panthers lost to Bellingham 25 to 21. The matmen winners were Pat McFarland, Fred Zielasko, Al Zalewski, and Dale Heike by decisions. Jerry Weed pinned his man in the first 15 seconds of the first round and Dave Trapp and Don Wilson both fought to draws.

MUSIC

Sound of music is like the rhythmic passing of time. Through the years music has become increasingly important here as elsewhere, and today it finds a responsive beat in every heart. The music department at S.H.S. is attuned to modern trends and styles and improves with the passage of time.

Progress throughout the year was marked by the high ratings achieved, the trips that were taken, and the many programs presented locally and away from home.

This year's activities will linger long in the memories of band and choir members and their directors, Mr. Peterson and Mr. Hood.

BAND

The Snohomish High School band under the direction of Edward L. Peterson has made outstanding achievements in the past three years and has earned the reputation as one of the finest concert bands in the Northwest and Washington. Because of this the band went to Spokane at the Music Educators' Contest, Northwestern Division. This was a three day trip during which the students left on the 16th of March and returned on the following Sunday. This was the first long trip the band had taken in a few years.

The band presented several concerts this year and played for all home football and basketball games. Half-time shows were presented at several of the games. The band enjoyed marching for the school at half-time and for parades in Snohomish. Ensembles and solos played an important part in the band's program. These groups met at noon, after school, and some nights for rehearsals. A group of six boys make up the dance band, which played for the school dances and other events throughout the year.

Among the important trips the band made was the solo ensemble's contest in Seattle. This contest helped the players to become more at ease when playing for an audience. The outstanding students who received superior ratings were: Dave Cross, bass; Bob Knittel, trumpet; Bill Knittel, alto saxaphone; and Gayle Stringer, flute. Excellent ratings were: Dale Brady, clarinet; Gordon Uran, piano; and Glenn Bowerman, trombone.

The band was fortunate to have a chance to play on television, Channel 5, KING-TV, in Seattle. The program, one of the band's finest concerts, was taped on the 12th and televised on the 18th of December. The band was chosen to represent the State of Washington at the Northwest Music Educators' Conference in Spokane in March.

The band sponsored the Washington State University Band when it presented its concert in Snohomish on the 17th of April. In the band were two Snohomish graduates, Dan Higgins and Mel Hanson.

Snohomish was very proud of the band and helped it in every way it could. This was one of the finest bands the school has had and the townspeople gave their complete support.

LOOKING THINGS OVER

Oh, we love thy halls, Snohomish
That surround us here today;
And we will not forget
Tho we be far, far away.
To thy hallow'd halls, Snohomish
Ev'ry voice will bid farewell
And shimmer off in twilight
Like an old vesper bell.

Red white fight fight
Red white fight fight
Who fight we fight
Red white fight fight
Two bits, four bits
Six bits, a dollar,
All for Snohomish
Stand up and holler.
Go, Go, Go, Go,
Get 'em, Get 'em, Get 'em, Get 'em,
Team, Team, Team, Team,
Go get 'em team!

We got the coach, we got the team
We got the pep, we got the steam,
We got the coach, team, pep, steam,
Fifty rahs for our team!
Rah! Rah! Rah! Rah! Rah!
Rah! Rah! Rah! Rah! Rah!
Team, team, team.

WHAT'S THE GOOD WORD?

THE ANNUAL STAFF

allow I have enjoyed so much being mistaken as your younger sister. I hope you will always be my older brother. I enjoyed it so much when you took me cat(?) hunting; when we get together between semesters in College let's do something unusual like that again!

I have enjoyed double dating with you and you have been a tremendous encouragment and a help to me in Y.C. May God continue to richly bless you in future years you are a terrific guy and deserve all of the very best.

Love in Christ

Cuz. Doris

Big al Baby,

It has really be a dream (nightmare) being on the track squad and football team with you as manager. I will say you have one outstanding feature; you are the ugliest guy I know. (laugh, laugh). Best of luck

Mick

Well we sure had alot of fun this year, soon we will be out in the big cruel world, I think I might ever miss the old school a little. Well good luck to a real nice kid, hope to see ya around sometime after we are out of school. Don

Al,

I have enjoyed knowing you in the past years and I want to wish you the best of luck in the years to come. I hope to see you some time this summer, maybe at YFC. May God Bless You in the future. Love

Bethia Wansee
